

Music Room

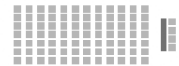

This magnificent room with its high ceiling and panelled walls provides a peaceful, elegant and secure setting for top level business meetings. Windows along the length of one wall give plenty of natural daylight but are fitted with efficient blinds for total blackout. Downlighters on dimmers are centrally controlled for four zones. It also provides a splendid setting for larger banquets with its own separate access to the kitchens.

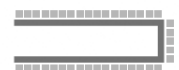

- Double plug point
- ▲ Telephono point
- Television aerial
